

IMPACT BREAKER

One of the most dangerous jobs on the battlefield is breaching. Whether it's mechanic, ballistic, explosive or thermal, you need some heavy duty equipment to keep up with the job. Over 12 months of design with military experts, and copious amounts of field testing have brought us to our new 212 IMPACT BREAKER. Anti-vibration palm padding, impact knuckle protection and the most dexterous palm material on the market make this glove perfect for everything from taking down doors to firing a weapon. **BREAK IT DOWN** with the new 212 IMPACT BREAKER.

IMPACT PROTECTION
