

# RS-011B 3-IN-1 ROLLER STAND

## STEELMAN®

### 3-IN-1 ROLLER

Transforms from ball bearing roller, to a material stop, and finally to a traditional roller

### HEIGHT ADJUSTMENT LEVER

Adjustable from 28"-45" to accommodate a wide variety of jobs

### FOLDING LEGS

Fold for easy storage and transport

### NON SLIP CAPPED FEET

Capped feet provide traction on slick surfaces and prevent marring delicate hardwood

**FOLDS FOR STORAGE**
