

# SLIM PROFILE RECHARGEABLE LED HEADLAMP

## STEELMAN® PRO

**PATENT PENDING**

### RECHARGEABLE LI-ION BATTERY

Supports up to 9HR continuous runtime on single charge

### PIVOTING HEAD

Allows beam to be directed downward without moving your head

### 10 SMD LED's

Produces up to 250lm output with 3 brightness modes

### MOTION SENSOR

Motion sensing mode to turn light on/off without touching the headlamp

### INSULATED HARD HAT CLIPS

OSHA approved non-conductive, insulated helmet clips secure Headlamp to hard hats  
Rated for 600V (Patent Pending)

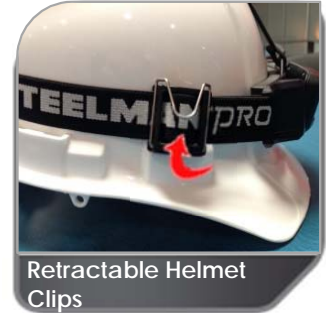

Non-Conductive Insulated Helmet Clips

Fits most hard hats

Rechargeable Li-ion Battery Pack

Retractable Helmet Clips

## SPECIFICATIONS/PACKAGING

### LED Output/Runtime:

High Mode: 250 lm Runtime: 3hrs

Med Mode: 120 lm Runtime: 4hrs 30mins

Low Mode: 60 lm Runtime: 9hrs

Master Pack: 24 pcs

Inner Pack: 6 pcs

COO: China

LI-ION Rechargeable Battery With USB Cable Included

## MATERIALS

CASING : ABS

STRAP: Polyester

LENS: Polycarbonate

ON/OFF: SMT – Multi-modes

HARD HAT CLIP: Spring steel – 600V Insulated
